Class Guidelines

Advanced Challenge Class

Suitable for dancers capable of dancing all steps and formations with excellent phrasing, use of hands and covering whilst sustaining a high level of performance. Dancers will be expected to meet the challenge of a physically demanding class throughout the entire duration of the School.

Advanced Class

Suitable for those who do not have the energy for the above class but can consistently execute all steps and formations to a high standard showing good phrasing, use of hands, covering and who can sustain this level of performance, independently, throughout the entire period of the class.

Advanced Low Impact Social Class

Class suitable for competent dancers with a good knowledge of steps and formations who want a low impact class focussing on sociability and overall execution of dances.

Intermediate Class

This class will continue to develop steps and formations. It will focus on all aspects of technique, use of hands, phrasing, transitions and teamwork. Some dances from the evening programs may be taught.

Newer Dancers' Class

Suitable for newer dancers (usually 2 years or less), who aim to improve their knowledge and execution of the basic steps and formations together with an introduction to some of the more advanced formations. Some of the dances on the evening programs will be taught. Be prepared to learn a lot and have fun doing it.

Easy Peasy

For those who are no longer able to sustain the challenge of the compulsory morning classes but may possibly participate in the afternoon and evening activities.
